

TOWN OF NEWBURGH HYDRANT FLUSHING

Monday, May 3 - Friday May 14, 2021

The Town of Newburgh Water Department
will begin flushing of distribution mains,
laterals and hydrants on May 3, 2021

THIS MAY RESULT IN SOME DISCOLORATION OF WATER

The department will be flushing some areas
at night, when water usage is lowest,
to minimize this problem.

*Curtailment of any unnecessary water usage during this period will be appreciated
and will aid the department in completing this program as quickly as possible*

We appreciate your understanding and your cooperation
