Community leaders celebrate the opening of Healthfirst's community office in the Town of Newburgh.

On November 15th, a Grand Opening and Ribbon Cutting Ceremony was held for Healthfirst at 50 NY Route 17K in the Town of Newburgh. Located in the Town of Newburgh's Target Plaza, the Healthfirst Newburgh Community Office is about 3,000 square feet and consists of meeting rooms that will host seminars for members and trainings for physicians. Community members can visit this local office for assistance with accessing quality, affordable healthcare plans.

Healthfirst is the largest not-for-profit health insurance company in New York State; offers high-quality, affordable healthcare plans to community members; and, provides culturally and linguistically competent services to nearly 2 million members.

Community leaders in attendance at Healthfirst's Grand Opening and Ribbon Cutting Ceremony included New York State Senator James Skoufis, Assemblyman Jonathan Jacobson, Town of Newburgh Supervisor Gil Piaquadio, Town of Newburgh Deputy Supervisor Scott Manley, Town of Newburgh Councilman Paul Ruggiero, Montefiore St. Luke's Cornwall President Daniel Maughan, Cornerstone Family Healthcare President & CEO Linda Muller, Newburgh Armory Unity Center Executive Director Nancy Proyect, and Montefiore Medical Center's Assistant Vice President of Network Business Development William Scesney.

Town of Newburgh Supervisor and Town of Newburgh Town Board are grateful that Healthfirst chose the Town of Newburgh for the location of their community office.

Welcome Healthfirst and thank you for choosing the Town of Newburgh as your home.
