On November 19th, a Grand Opening event was held for the Newburgh Market's Holiday Pop Up Shop at 1401 NY-300 in the Town of Newburgh Mall. Sponsored by Designed Grind Cafe Owners Lisa Morgan and Diane Parisella, the Newburgh Market's Holiday Pop Up Shop is a venue for local vendors to sell their unique products on Saturdays and Sundays from November 19th through December 24th, the day after Thanksgiving Day, as well as the week before Christmas.

Local vendors sell an array of products including jewelry, beauty and hair products along with handmade ornaments. Visiting the Newburgh Market's Holiday Pop Up Shop during this holiday season is a great way for the community to support local businesses and spread some holiday cheer with the discovery of great finds for yourself, friends, and loved ones.

During the Grand Opening event, Town of Newburgh Deputy Supervisor Scott Manley presented Designed Grind Cafe Owners Lisa Morgan and Diane Parisella with a Certificate, on behalf of the Town of Newburgh Supervisor and the Town of Newburgh Town Board, to welcome the Newburgh Market's Holiday Pop Up Shop to the Town. Town of Newburgh Supervisor Gil Piaquadio, Town Councilmen Paul Ruggiero and Anthony LoBiondo, and Town Clerk Lisa Vance Ayers were also in attendance.

Town of Newburgh Supervisor Gil Piaquadio and the Town of Newburgh Town Board are pleased that the Newburgh Market's Holiday Pop Up Shop provides another option for community members to shop during the holiday season.

Welcome Newburgh Market's Holiday Pop Up Shop and thank you for opening in the Town of Newburgh.
