

#14B

**TOWN OF NEWBURGH  
TOWN ENGINEER**

**MEMORANDUM**

**TO:** G. Piaquadio, Supervisor & Town Board

**FROM:** Patrick J. Hines, Representative, Engineers for the Town 

**DATE:** 27 May 2025

**RE:** **Elmhurst Avenue over Bushkill Creek Culvert Replacement Project**  
**NYSDOT PIN 8762.74**  
**Advertisement & Receipt of Bids**

---

The project Engineer, CPL Engineers have indicated that the project has NYS DOT approval for the Elmhurst Culvert replacement. In consultation with the Engineers we are recommending that the Town set an *Invitation to Bid* advertisement date of 5 June 2025. Bids to be received on by and opened on 10 July at 12:00 p.m.

The project has a grant from NYS DOT in the amount of \$525,000.00.

The project was previously bid on 11 July 2024. These bids should be rejected based on the NYS DOT approval being recently received.

Bid scheduling dates for the project require Town Board approval.

I am available to discuss the project should you require additional information.

**TOWN OF NEWBURGH  
TOWN ENGINEER**

**MEMORANDUM**

**TO:** G. Piaquadio, Supervisor & Town Board

**FROM:** Patrick J. Hines, Representative, Engineers for the Town *PJH*

**DATE:** 27 May 2025

**RE:** **Frozen Ridge Water Tank Rehabilitation  
And Painting**

---

The project Engineers, H2M Engineers have completed the Design and Specifications for the project. The project involves cleaning and painting of the Frozen Ridge water tank, including certain safety upgrades of the tank identified by the engineers.

This will be the first tank to be painted under the recent recommendation by the H2M Engineers.

We are recommending the project be available for *Invitation to Bid* on 5 June 2025, with bids to be received by and opened on 26 June 2025, 11:00 a.m.

Bid scheduling dates for the project require Town Board approval.

I am available to discuss the project should you require additional information.
